Gauge:

See Sizing Chart Options

Height:

See Sizing Chart Options

Knuckles:

3

Material:

Steel with Steel Components

Notes:

Hager does not recommend using spring hinges on doors over 7'0". For maximum versatility use all spring hinges or a combination of spring hinges and ball bearing hinges. Do not use plain bearing hinges. Strong wind conditions, drafts, carpeting drag, twisted/ misaligned frames, or weatherstripping on doors may require additional spring hinges. Full spring tension may not be required on all hinges.

Options:

Available with hospital tip (HT) - voids UL.
Available with raised barrel (RBB/RBS) - UL approved.

Width:
