

DOOR SOLUTIONS THAT STAND THE TEST OF TIME.

10X Line Bored Lock with Status Indicators

The 10X Line bored lock with status indicators, is the ultimate intersection of security and privacy. Featuring six customizable status indicator windows for optimal visibility, it offers indicators for both sides of the door, one-motion egress, non-handed installation, and keyed functions. Built on the robust 10X Line lock body, it exceeds Grade 1 standards, making it ideal for high-traffic restrooms, classrooms, and quiet rooms.

Experience a safer
and more open world
